

Bastrop Christian Church (www.bastropcc.org) is looking for a full-time Senior Minister. We are located in Bastrop, Texas which is the county seat of Bastrop County and serves a community of about 10,000 and an area of about 100,000. Bastrop County is one of the fastest growing counties in the country and is a thriving community and tourist destination about 30 miles outside of Austin, TX. Bastrop is a great place to live and enjoy the great outdoors while having access to all the modern amenities and a close drive to Austin, San Antonio and Houston when you want to experience the draws of a big city.

We are an intergenerational congregation with about 150 attendees on Sunday morning and a stable influence in the community for over 120 years. We are active in community outreach and support various ministries and missions with both our finances and our volunteering. Although we meet in a historic building, we are in the middle of a modern community and all the vibrant and fun activities here (www.visitbastrop.com).

The church and community are growing and we are looking for someone who can grow with us and help form plans and strategies for that growth. We seek a biblically based, educated minister who is comfortable with preaching biblical sermons from the pulpit, discipling congregants and spending a majority of their time in pastoral care and fellowshiping with the congregation.

We are a financially sound church with no debt and we love to bless others as we have been blessed. If this sounds like something you would be interested in, please send a cover letter, your resume and a brief mission statement to our search team at brettwills@yahoo.com.
