

Round Rock Church of Christ is a growing church of 500 located outside of Austin, TX. The Discipleship Minister's primary role is to ensure that RRCOC is effectively enabling newcomers' connection to God and our church body during the first two years of their journey with us.

In short, he or she will help us facilitate people's growth as disciples of Jesus.

This will be accomplished by conceiving of and overseeing key ministries and volunteer teams that help newcomers navigate a pathway of connection and spiritual growth. Currently, this primarily includes our Small Groups ministry and Welcome Home ministry (our hosts, greeters, and welcome center).

Over time, the Discipleship Minister will be responsible for bringing these ministries to higher levels of coordination, quality, and effectiveness.

For more information, including responsibilities of this role, what the work will look like day-to-day, and how to apply, visit www.rrcoc.org/hiring.
